Sub: MEDICAL EXHIBITION - Kasturba Medical College, Mangalore - Participation of the Blood Bank Unit - Sanction for.

***

The Principal, Kasturba Medical College, Mangalore informed this office that a Medical Exhibition of the College will be conducted during the last week of this month and requested that the Blood Bank Unit of this Department may be deputed to participate in the exhibition as it would serve a good advertisement for getting liberal donation of blood. The District Medical Officer, South Kanara recommended the participation of the Blood Bank Unit in the Medical Exhibition of the College. The Director King Institute, Guindy to whom the matter was referred considers that the participation of Blood Bank in the exhibition of the above College will be advantageous and will popularise the Blood Bank activities and requests necessary sanction for deputation of the Unit. A copy of his letter R.No.29808-H2/55 dated 16.1.1956 is enclosed for the information of Government. In the circumstances stated therein, I consider that the participation of the Blood Bank in the exhibition will be useful and therefore request that the Government will be pleased to accord sanction for the deputation of the Unit consisting of the following staff:-

1.	Medical Officer ...	1

Ref: Your memo Ref.No.132322-M/55 dated 28th Dec.,1955.

A medical exhibition is going to be held in Mangalore in the last week of January, 1956. This exhibition is sponsored by the Kasturba Medical College, Mangalore.

The blood Bank Unit of King Institute of Preventive Medicine, has not participated in any exhibition since 1950 at Mangalore. It would therefore be very advantageous if the Blood Bank of King Institute is directed to participate in the ensuing Medical Exhibition, Mangalore and popularise the Blood Bank activities among the public. Trained personnel in Blood Bank work must be deputed with a view to explain the harmlessness and painlessness of blood donation and the significant role of Blood Transfusion in saving lives. Charts and models are required for raising exhibition Staff. Voluntary donations of blood will be accepted and blood taking will be demonstrated to the public. So, the following proposal may please be accepted for opening a Blood Bank Stall in the proposed Medical Exhibition, Mangalore.

1.	Medical Officer	One
2.	Technician or I Grade Laboratory Attendant	One
3.	II or III Grade Laboratory attendant	One
